

# Girder Extension for Solar Terrace II-A and III-A

- Assembly -

- Component -

Girder Extension for Solar Terrace II-A and III-A (200mm)  
Part No.: GE-STA/200

- Technical Specification -

Application	1. STII-A or STIII-A support girder extension to 3200 mm from 2800 mm for panels up to 2.0 x 1.1 m 2. STII-A or STIII-A support girder extension to 3600 mm from 3200 mm for panels up to 2.2 x 1.1 m
Fixing Method	Fixing with 12 sets of self-tapping screw
Dimensions	Splice: L385*W54.9*H88mm Girder: L200*W59.5*H95mm
Weight	1267g
Packaging	12 units per carton
Material	Main structure: AL6005-T5 Self-tapping screw: SUS304
Color	Silver (anodized, no less than 10 μm)
Standard	AS NZS1170.2-2011
